DRIVE WITH ADDED PEACE OF MIND.

Introducing the Parkmate MCPK-962DVR Full High Definition Dual Channel Dash Camera Mirror with Reversing Monitor. Featuring Full HD 1080p recording from both the front and rear of your vehicle, plus when in reversing mode the rear camera switches to a reverse monitor, giving you a reverse view providing added safety when reversing and parking your vehicle.

The 24 Hour Parkmode feature, watches over your vehicle while you are away from your vehicle, the built-in G-Sensors will detect impact to your vehicle and will record instances for a period of 24 hours, even if your car battery goes flat.

LET YOUR VOICE BE YOUR COMMAND.

Enjoy handsfree operation and use your voice to control your Mirror DVR, Just speak towards the mirror with one of the 9 pre-programmed commands and the mirror will respond as requested.

VOICE COMMANDS

"Lock the Video"

Save and Protect from deletion the current video recording from both Front and Rear Cameras.

"Turn Off Audio"

Turn off the Mirror display.

9.66" TOUCH SCREEN DVR MIRROR WITH FULL HIGH DEFINITION FRONT & REAR CAMERAS

*Image shown depicts when reverse gear selected. Gridlines may vary to illustration.

BUILT-IN DVR

The in-built FHD 1080P DVR has automatic start up and shut down capability that continuously records your journey. No more "your word vs theirs" in the case of incidents or accidents. Park mode watches over your vehicle while you are parked and G-Sensor automatically protects footage upon impact

DUAL CHANNEL RECORDING

Dual Channel Recording - inbuilt FHD 1080P DVR and Rear FHD 1080P camera record simultaneously and can be viewed on mirror monitor using split screen view. Rear Channel changes to reverse parking mode with gridlines for safe and effortless parking when reverse gear is engaged.

REVERSE CAMERA

Reverse Camera will turn instantly from recording mode to parking mode as soon as car is put on reverse mode giving you full screen display of rear with gridlines and distance marked to help you park safely and effortlessly.
